**08:30 – 09:00** Registration at the University of Akureyri, Norðurlóð 2  
**09:00** Opening – Room M101

#### KEYNOTE SPEAKERS

**09:15** Learning and technology in nursing education – *Dr. Katri Manninen*  
**10:00** Empower and Enhance: Digital Competences in Nursing Education – *Helena Sigurðardóttir*  
**10:45** BREAK

#### ROOM M101

**Moderator:**  
*Kristín Linda Húnfjörð Hjartardóttir*

#### SESSION I

#### SKILLS TRAINING AND CLINICAL PRACTICE IN NURSING EDUCATION

- 11:10** Designing for student autonomy combining theory and clinical practice – a qualitative study with a faculty perspective – *Angelica Fredholm, Charlotte Silén and Katri Manninen*
- 11:30** Application of Pharmacology Knowledge Among Nursing Students in Clinical Settings – *Nijole Galdikiene*
- 11:50** Unlocking EHR Documentation in Iceland – *Þorbjörg Þórhildur Snorradóttir, Helix*

#### ROOM M102

**Moderator:**  
*Hulda Sædís Bryngeirsdóttir*

#### SESSION II

#### DESIGNING A FACULTY DEVELOPMENT PROGRAM

- 11:10** Development of a program in dementia-coordination – *Dr. Kristín Þórarinsdóttir*
- 11:30** Utilizing Technology to Deliver a Guided Self-Study Course: Integrating Synchronous and Asynchronous Lessons for Healthcare Students – *Jette Jørgensen Mebrouk*
- 11:50** EduCanNURS: An Innovation in Cancer Nursing Education – *Isa Öhberg, Anne-Mari Seppälä, Tarja Bergfors, Maura Dowling and Silvija Piškorjanac*

**12:10 LUNCH** at Kaffi Borg at the second floor of the university

**ROOM M101****SESSION III**

**Moderator:**  
*Þorbjörg Jónsdóttir*

**MENTAL HEALTH IN NURSING EDUCATION**

**13:00 Learning objectives in a new clinically oriented advanced practice mental health nurses**

– *Gísli Kort Kristófersson, Kristin Linda Hjartardóttir, Jóhanna Bernharðsdóttir, Eydís Kristín Sveinbjarnardóttir and Helga Sif Friðjónsdóttir*

**13:20 Outcomes in a new clinically oriented advanced practice mental health nurses**

– *Gísli Kort Kristófersson, Kristin Linda Hjartardóttir, Jóhanna Bernharðsdóttir, Eydís Kristín Sveinbjarnardóttir and Helga Sif Friðjónsdóttir*

**13:40 Introduction to a simulation-based teaching project using standardized patients in a new graduate program for psychiatric-mental health nurses**

– *Kristín Linda H. Hjartardóttir, Þórhalla Sigurðardóttir, Merrie Kaas and Gísli Kort Kristófersson*

**14:00 BREAK**

**ROOM M102****SESSION IV**

**Moderator:**  
*Deniz Harputlu*

**ENHANCING NURSING EDUCATION AND RESEARCH**

**13:00 A virtue-based approach to teaching person-centred care in nursing education** – *Kristin Thorarinsdóttir, Hafdis Skúladóttir and Sigurður Kristinsson*

**13:20 Empowering Students in Quality Improvement projects in healthcare: Mastering PDSA, A3, and DMAIC with Ovid Synthes** – *Robin Johansson*

**13:40 Transforming anatomy and physiology education with BioDigital: Immersive 3D experience for the next generation of healthcare professionals**

– *Sébastien Devaleriola*

**14:00 BREAK**

**14:30 – 16:00 Simulation at Akureyri Hospital. [Register for this session here.](#)**

**The University of Akureyri Simulation in Akureyri Hospital** – *Þórhalla Sigurðardóttir*

**Simulation in Akureyri Hospital** – *Hrafnhildur Lilja Jónsdóttir*

**19:00 DINNER** – 3 course dinner in Aurora restaurant

**Wednesday 13. November**

**08:45-09:15 Registration at the University of Akureyri, Norðurslóð 2**

**KEYNOTE SPEAKERS**

**Moderator:** *Sigfríður Inga Karlsdóttir*

**09:15 Learning nursing science with and from technology** – *H. Ösp Egilsdóttir*

**10:00 Language, Learning, and Healthcare: AI Innovations Relevant to Nursing Education** – *Hafsteinn Einarsson*

**10:45 BREAK**

**ROOM M101****SESSION I**

**Moderator:**  
*Árún Kristín Sigurðardóttir*

**ADVANCING NURSING EDUCATION THROUGH SIMULATION**

**11:10 Improving of Undergraduate Nursing students Competencies through Simulation-based Experiences**

– *Asta Mazioniene, Rimante Morkuniene and Andželika Zavackienė*

**11:30 Learning Strategies and Technology Use in Simulation-Based Learning - A Qualitative Pilot Study in Nursing Education**

– *Malin Forsbrand and Line Christiansen*

**ROOM M102****SESSION II**

**Moderator:**  
*Jette Jørgensen Mebrouk*

**COLLABORATIVE LEARNING AND CLINICAL PERFORMANCE**

**11:10 Shall we Learn together? Peer-learning as a path to being self-directed**

– *Jessica Silfver, Maria Appelloth and Annika Skogster*

**11:20 Development of clinical performance of students through the nursing education**

– *Hafdis Skúladóttir and Margrét Hrönn Svavarsdóttir*

**11:50 Validity and reliability of an online clinical assessment tool for nursing education**

– *Margrét Hrönn Svavarsdóttir and Hafdis Skúladóttir*

**12:10 LUNCH** at Kaffi Borg at the second floor of the university

**ROOM M101****INNOVATIONS IN NURSING EDUCATION**

**Moderator:** *Hafdis Skúladóttir*

**13:00 A curriculum on Post-Traumatic Growth: An Interdisciplinary Approach** – *Hulda S. Bryngeirsdóttir*

**13:20 From on-site education and examination in Lishui, China of Swedish lecturer to seminars and examination via Zoom** – *Annica Björkman, Tao Ran, Lijuan Xu, Maria Engström, Annika Nilsson and Bernice Skytt*

**13:40 Pedagogical use of Artificial Intelligence in health and medical science education. Chat GTP-Resource in education**

– *Sarah Karlsso and Eva Westergren*

**14:00 Insights into EHR documentation in Iceland** – *Arna Harðardóttir, framkvæmdastjóri Helix*

**14:00 BREAK**

**14:30 Closing session** – Introduction conference 8<sup>th</sup> NFNE 2026.
